Community Member of the Month

October - Jeff Cooke

The first person to be nominated for our *Person of the Month* column is Jeff Cooke. Jeff and his wife, Tracy, are the owners of Cooke's Quik Mart and the Hillsborough Irving gas station. Jeff has been nominated for this column by Don Bowman. Here is what Don had to share about Jeff:

Jeff is one of the friendliest people you could have the opportunity to know or meet. He is all about community and treats the people of Albert County as royalty. People ask him to support their fundraisers or local groups and before they finish their requests he is already preparing to do so.

Jeff works alongside the people he employs and he wouldn't ask anyone to do a job that he hasn't already done himself. Jeff works long hours and takes great pride in supporting the community by offering very fair prices for commodities offered at either of the locations.

As frustrating as it can be, Jeff has had people that try to steal gas and other things from him and he has always given them the benefit of doubt and offered a chance to step forward on their own before he moves forward with having people charged. This reinforces his trusting and friendly demeanor towards others.

Most anyone who knows Jeff, or has had a chance to meet him, will tell you even more about how he always pays it forward. He is quick to support local fundraisers by making a donation from his businesses and purchasing tickets himself to any of the events that are happening in the community.

Albert County is lucky to have people like Jeff Cooke living here and the Connecting Albert County Newsletter is pleased to recognize Jeff as the Community Person of the Month for October. Jeff's dedication to his community has not gone unnoticed.

Open House at the Fire Hall

by Donald Alward

The Hillsborough Fire Department is pleased to invite you to attend our Open House that will take place on Wednesday, October 12, 2022, beginning at 6:30pm at the Fire Hall, located at 2789 Main Street. Stop in for a free BBQ and cake. Have a look at some of the specialized firefighting equipment, pick up the latest Fire Prevention messages, ask us questions and watch some of the firefighters play 'Jaws of Life Jenga' – a skill-building exercise that teaches precision and control with this very powerful tool. The popular 'Parade of Trucks and Lights' will also take place that evening, so be sure to bring the kids along. Sparky the Fire Dog will also be on hand to greet kids of all ages and pose for photos.

Fire Prevention Week, October 9 to 15, turns 100 years old this October, marking a momentous milestone for the annual campaign. This year's Fire Prevention Week campaign theme is "Fire won't wait. Plan your escape."

Today's home fires burn hotter and faster. You may have as little as two minutes (or even less) to safely escape a home fire from the time the smoke alarm sounds. Your ability to get out of a home during a fire depends on the early warning from smoke alarms and advance planning. Regardless of where or with whom you live, developing and practicing a home escape plan with all members of the household can make a life-saving difference.

A Year of Celebrating a Milestone at Hillsborough Baptist Church

by Chandra Smith

September 30 to October 2 the Hillsborough Baptist Church will be celebrating its 200th Anniversary. In essence, it will actually be winding up its anniversary year. The church has been celebrating this special milestone anniversary with different events held throughout the year.

In March, members went to Broadleaf Ranch and participated in an old-fashioned sleigh ride with hot chocolate and cookies. There was also space provided inside the lodge where people of all ages played games together.

In May, members were invited to participate in painting a Barn Quilt to be displayed outside the church and will be part of the Quilt Tour for many years to come. Participants painted the squares in four solid colors that were arranged to form the background and holy cross quiltpieces.

This masterpiece is now on display for residents and tourists to enjoy as part of the Albert County Historical Barn and Business Quilt Tour.

This event happened in order to create "Togetherness" by bringing all ages together to create a beautiful piece of artwork. Those who were unable to attend were provided with the opportunity to sign the quilt block before it was displayed outside the building.

Finally, Rally Sunday was held on September 11 where the children who attended Vacation Bible School this summer performed. Attendees enjoyed a BBQ and some old fashioned games such as an egg race, three-legged races and wheelbarrow races.

Recruiting Volunteers for The Harvey Hall Restoration

by Jane Chrysostom

The success of the Harvey Hall is gaining momentum! If you've been following the Harvey Hall Facebook page or have seen recent activity – what IS that huge pile of railroad ties for? – at and around the hall, you've been witness to on-going progress!

With the currently small but dedicated team of volunteer board members, advisors and interested and willing helpers, there is MOMENTUM in effort! And it's gaining! So far, two funding grants have recently been awarded for tens of thousands of dollars for major restoration projects, work teams have gathered to plan, engineer, and facilitate their implementation, fundraising efforts big and small have generated interest and enjoyment for those undertaking and participating in them. Also, just as importantly, we've welcomed several newcomers to the group who have diverse skills, interests, talents, and ambition to help bring the Harvey Hall back to its glory.

"It's perfect timing!" was enthusiastically called out to welcome several newcomers at the most recent board meeting that gathered around a wobbly table in the fading sunlight coming through the tall windows. The meeting was efficient (the circuit breakers aren't yet switched on) to conduct business before darkness fell. It's perfect timing to be part of the momentum of ongoing success. Often folks lose faith of accomplishment when hurdles and obstacles are daunting and seem insurmountable. Though progress has been slow, it has certainly been amazing and worthwhile. Now, with the timing of the seasons, families are getting back into routines with school resuming, the local tourist season is easing and the 'new normal' of being able to gather socially and with cause is igniting some folks' need for purpose.

The history of the Harvey Hall is long, the people who have helped, enjoyed, performed and gathered there have spanned over a century. If you find you're seeking purpose, being part of a camaraderie of community, eager to support a local cause, have devotion to the history and legacy of a New Brunswick icon, you're invited to join, too. When the doors reopen, you'll be proud and part of that new day in Harvey Hall History. The timing is perfect!
