Molly Kool Award 2023 | Nominations Open

by Ian Duncan

Friends of Fundy is honoured to present this award in partnership with Place Resurgo Place and Armour Transportation Systems. Deadline to submit nominations is September 15th, 2023

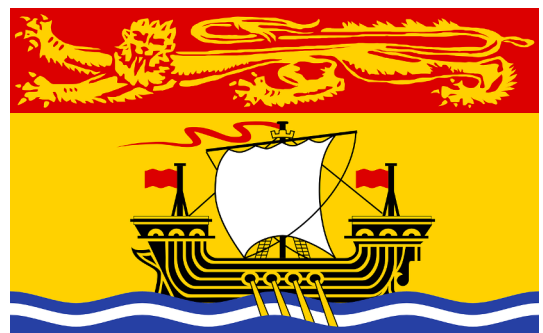

“Born in 1916, Molly Kool became the first licensed female Master Mariner (sea captain) on May 25, 1939. When asked of the significance of this event, she responded that it was the Great Depression, her father had a small vessel and she “needed a job”. Despite having the required sea time and passing all of her courses at navigation school in Yarmouth, she was delayed in receiving her masters since there was no “she” in the Canada Shipping Act. With the encouraging voice of her father ever in her ear, Molly forged ahead into a full career in naval shipping. Many documented incidents reflect Molly’s character in standing up for herself and her ship against forces that would see her fail. Right up until her death in 2009, she downplayed the significance of her accomplishments, claiming that they had less to do with women’s rights than with necessity.”

Community Member of the Month

August - Harvey Hall Board Members

For this month the Community Member of the month is not just one person, but a whole committee! The board members of Harvey Hall have been working tirelessly to bring the historical Harvey Hall back to life. The work they have been doing has allowed them to update the interior of the Hall from a dilapidated building to an excellent and useful Community Centre.

They have held cleanups, fundraisers, yard sales and multiple shows. There have been local musicians and artists as well as guests from afar, like the comedian James Mullinger and musician David Myles.

Their current goal for the Hall is to raise funds for a new roof. Currently they have been given a provincial grant of \$25,000 with the stipulation that they need to match that funding before fall. While they have been quite active in their fundraising; they need approximately \$20,000 more to match the grant. If they are not able to match the grant amount by the deadline they will have to return the money and start over with their fundraising efforts!

The Harvey Hall committee has brought the Hall a long way over recent months but, as with every restoration, there is still a ways to go. Please support the fundraising efforts put forth so we can keep this excellent local hall in our community for many more years to come. Check out their facebook page to stay up to date on what's coming next!

The Molly Kool Award was created to recognize women in the Southeastern New Brunswick area for their outstanding contributions to the community at large in such areas as arts, culture, conservation, and environment.

Do you know a woman who:

- is a resident of Southeastern New Brunswick?
- is a person who – through the execution of their job, volunteering, or personal endeavors – enriches the community fabric in a significant way?
- is a person who embodies the selfless, humble spirit of Molly Kool?
- is a person who would not normally seek recognition for their contributions?

Of course you do! Fill out the nomination form here:

Newcomers Meet Riverside Albert Consolidated School Part 2

by David Jacombs Jr.

In the June edition of this newsletter, I discussed the impact that Riverside Consolidated School (RCS) has had on my family. Now, I'd like to address how the faculty and students feel about their school. I sat down with Principal Jeff Keirstead, near the end of the school year, to discuss the school and find out more about it.

David: Just to get some back story for us newcomers, how long has the school been operating?

Jeff: The school is the oldest operating school in the province, it was built in 1905. The fact that we have been around since 1905 plays into our sense of community. Many students have gone through the doors of the school and have great memories. Those alumni are a key in keeping our connection to the community.

David: What do you want new community members to know about the school?

Jeff: We are a kindergarten to grade five community school with four homeroom classes currently. We have a student population of 49 students. We also house a fully licensed daycare in our building.

David: What is your most important value at the school?

Jeff: Safety of our students is our top priority but after that would be student learning and our sense of community within the building and surrounding areas. We partner with several organizations and businesses such as the Albert County Food Bank, Foods of the Fundy Valley, Food Depot Alimentaire, Horizon Health, Shepody Fish and Game, the Albert County Exhibition, Sapranos Pizza in Alma and the Chipoudy Communities Revitalization Committee. Just to name a few.

David: What makes this school unique or different?

Jeff: I think our history makes us unique as well as the area. Riverside is a great place to live. We are nestled between Fundy Park and the Hopewell Rocks, two of the largest tourism draws in the province. So, there are many outdoor activities that are available in the area. We are close enough to the city to have access to everything you need and far enough away that we don't really experience the issues of larger centers. I think that way of life is reflected in our school culture. Due

to our size, we are not able to offer any sports clubs or teams, but we are able to offer physical education classes every day which is unique to the school. We also offer FLORA, which is French Learning Opportunities for Rural Areas to our K-4 students. There are also 3 bursaries that are unique to RCS. These are offered to former students of RCS who have graduated grade 12 and are pursuing post-secondary education. The Parker and Myrna Elliott Memorial Bursary, The RCS Anniversary Bursary and the RCS Community Bursary.

David: Where do you see the school's direction over the next few years?

Jeff: I hope to see growth in our student population. The entire province's population is growing, and I hope to see ours grow along with it. We are excited to see the construction of our new playground this summer, which wouldn't have happened without the initiative of the community. A grass roots group of community members began fundraising for a new playground a few years ago. They held several fundraisers and raised over 50 thousand dollars, but the cost of a playground was over 250 thousand. The group applied for grants and were successful in getting an ACOA grant which covered most of the cost. You may have seen our most recent bricks fundraiser which has recently finished. This was to help bridge the gap in our fundraising account to complete the project. The new playground is scheduled to begin construction this summer.

David: What would you like to highlight about the school?

Jeff: I would want the public to know how lucky we are to have such a great community school in our backyard. Our class sizes are small which enables the teachers to get to know all the students. We provide free hot lunch twice a week with the help of some great volunteers.

We have free breakfast everyday as well as snacks for recess or lunch. Through some of our partnerships we can offer unique activities such as curling at the Fundy Curling Club. During the Albert County Exhibition, students participate in activities that are offered by the Fair Committee. Also, we usually have special meals during various times of the year at the school such as Thanksgiving, Christmas, and Easter. Foods of the Fundy Valley have sponsored these events. Another unique partnership is with the Canadian Wildlife Service who were looking to update the display kiosk at Mary's Point. Our students received a presentation on the shorebird migration and then during their art classes created artwork that is now part of the display at Mary's point. I would also like to recognize the Elliott family who have maintained the flower bed in front of the school for several years. Each spring the family meets at the school to weed and plant new flowers and plants to ensure the grounds in front of the school look inviting. You won't find that at many other schools.

After meeting with Mr. Keirstead, I took to the streets (or the classrooms) and talked with the kids themselves. I asked two questions - *What is the best thing about your school?* and *What would you improve at your school?* I wanted to know if they felt the same way my son did. And well, here are the comments, raw, unrated, and honest.

Wade (kindergarten)

1. *What is the best thing about your school?*

I love school cause you can learn and teach.

2. *What would you improve at your school?*

A playground to make beside the school. It would be genius.

Rosie (kindergarten)

1. *What is the best thing about your school?*

Gym because you get really tired out and its good for you.

2. *What would you improve at your school?*

Make statues that look like animals out of rock because it would look nice around the hall.

James (10-year-old grade 4/5)

1. *What is the best thing about your school?*

The people, teachers, and math class.

2. *What would you improve at your school?*

New bathrooms, vending machine, new desks, paved driveway.

Carter (9-year-old grade 4/5)

1. *What is the best thing about your school?*

Outside gym and capture the flag.

2. *What would you improve at your school?*

More pastures so cows can be closer.

Evening (11-year-old grade 4/5)

1. *What is the best thing about your school?*

I like how RCS has so many windows and has lots of natural light.

2. *What would you improve at your school?*

I don't think there is anything I want to change.

The Riverside Consolidated School is a school within the Anglophone East School District. If you would like to register your child to attend this school then please contact the school district office online at asdeast.nbed.ca or by phone at 506-856-3222. The staff and students at RCS look forward to welcoming more students to their classrooms.

A Recap of the R. B. Bennett Day Celebration at the Albert County Museum & RB Bennett Commemorative Centre

submitted by Dawne McLean, ACHS President

The Albert County Historical Society, through the “New Horizons for Seniors Program”, was pleased to offer a “bring to life” heritage experience to the community.

The highlight of the 2023 RB Bennett Day celebration was the live theatre heritage drama performance, “Just Between Friends”, provided by professional actors, Thomas Daley and Shawn McCarthy of “Character Matters Production Company,” in Miramichi, NB. The drama script was written specifically for the July 3rd Bennett Day event by the performing actors. Not only did the drama performance provide enjoyable community entertainment, but the audience was provided a memorable experience of learning more about two significant political figures born in New Brunswick.

R.B. Bennett, the 11th Prime Minister of Canada, was born in Hopewell, Albert County. While Sir Max Aitken, better known as Lord Beaverbrook, was from Newcastle. The “on-stage” dramatic conversation between friends, RB Bennett (portrayed by Thomas Daley) and Max

Aitken (portrayed by Shawn McCarthy), connected the attentive audience to their personal and political life stories, while showcasing the close friendship they shared for many years.

The Albert County Historical Society was honoured to have Mr. William Herridge, nephew of RB Bennett, attend the 13th Annual R.B. Bennett Day celebration, accompanied by his daughter, Elizabeth Herridge. Following the hearty applause from the audience, Mr. Herridge offered a short and entertaining speech, expressing his pleasure and praise of the performance, with a script that was “historically accurate”!

Refreshments of cake and ice cream, along with much socialization were enjoyed! Thank you to all who joined us in celebrating our rich heritage on our annual RB Bennett Day!

If you have not visited the “RB Bennett Exhibit” which was refurbished in July 2022, please plan to visit the Museum this season!

NEW BRUNSWICK
SENIOR CITIZENS' FEDERATION'S

Don't miss your chance to win big while helping a good cause with our weekly 50/50 lottery! Please help us promote the New Brunswick Senior Citizens' Federation's 50/50 lottery as we need your support now more than ever. We are not government funded, so the only revenue for the NBSCF comes from membership cards (clubs, individuals and affiliates), the 50/50 draw, and some corporate sponsors. This is very important to help us contribute the funds needed to promote our Federation. Our main goal is to provide the necessary tools to have a better quality of life for all seniors in New Brunswick.

You can help us by getting people around you to buy 50/50 lotto tickets. For \$104, they are automatically entered into the system for a full year and a chance to win every week, but they can also purchase the amount of weeks they want from 1 to 52. What a lovely wedding anniversary or birthday gift for friends and family! Also, don't forget that the 50/50 lottery is for everyone, you don't have to be 50 and over to purchase tickets or win! Our draw takes place every Wednesday at noon. Please spread the word! Here is a chart showing some of the different advance purchase possibilities:

✓	Number of tickets per draw	Number of weeks of advance draws	Cost per ticket	Total amount of your order
	1 (one)	26 weeks	\$2.00	\$52.00
	1 (one)	52 weeks	\$2.00	\$104.00
	5 (five)	26 weeks	\$5.00	\$130.00
	5 (five)	52 weeks	\$5.00	\$260.00
	20 (twenty)	26 weeks	\$10.00	\$260.00
	20 (twenty)	52 weeks	\$10.00	\$520.00

Advance tickets can be ordered and delivered by mail, or you can purchase them in person at the NBSCF office or at any of our participating stations: COOP Gas Bar in Bouctouche; Shediac COOP; COOP Cartier in Richibucto; Cocagne Variety; People's Park Tower Rite Stop in Moncton; Memramcook Esso; and Dépanneur CM in Tracadie-Sheila. You can pay by cash, credit card, or debit card.

Your tickets can be mailed out to you anywhere!

Don't forget to buy or renew your lottery tickets! Join the winners and help New Brunswick seniors!

Please include this completed form with your order.
